Dear Sisters and Brothers,

Thank you for your continued support. We also welcome those who are reading the SAIIC Newsletter for the first time.

This issue of the newsletter is larger and more diverse than previous ones. We hope you find it informative. Our goal is to facilitate the exchange of information among all those interested in Indian issues in South, Central, and North America by providing summaries in English of news we receive from non-English-speaking areas of the Americas. The SAIIC Newsletter is the result of a collaborative effort by many people. Our strength lies in bringing together a diversity of issues and styles that represent the range of our personal experiences, in order to increase the understanding of indigenous issues in the Americas.

If you know others who would be interested in the SAIIC Newsletter, please pass this one on or make copies and pass them around. Thanks.

SAIIC relies on the contributions of its members and friends. Your support is needed and greatly appreciated to assist us in continuing our newsletter, publications, radio program, and sponsoring the visits of South American Indians.

All contributions, which are tax deductible, will go directly to furthering SAIIC's work. Checks should be made out to The American Friend's Service Committee/South American Indian Information Center and sent to P.O. Box 7550, Berkeley, CA 94707.

For more information about SAIIC's work and the projects we are planning, please write us or call: (415) 521-2779 or 527-5687.

**\*\*Check your mailing label. If it has an "M," this will be your last newsletter until we receive your subscription.**

Sincerely,  
The SAIIC Committee
